We are only taking reservations for the city of Bend at this time.

Saving Puppies!

On March 9th we transported 15 dogs from the Central Valley of California that were at risk of euthanasia due to the local overpopulation problem. We drove them to two of our transport partners that had space for them in the Pacific Northwest, and we're happy to report that all of the dogs were adopted (including these cute pups)! These transports save lives. The pups go from unwanted, to loved family members just by changing their location. If you would like to help us continue this life saving work tell your friends about us and consider making a one time or monthly donation at <https://furryfreight.org/donate>. Thank you for keeping our wheels turning!

YARD SALE!

In May we start collecting gently loved items for our annual YARD SALE! This is our biggest fundraiser of the year but we need your help to spread the word that we are taking donations! We will collect and price items all of May then the sale will be June 7th and 8th. Items we are not taking this year include clothing and heavy furniture. Tell friends and family that are spring cleaning that we need their donations! Larger loads can be picked up and donation receipts are available. Your donations help save more shelter pets!

It truly takes an entire community to save animals. Thank you for following and supporting our efforts on this journey! We couldn't do it without you!
